

NOTICE AND CONSENT FORM 2020/21

For Participation in Activities Off Campus within our Neighbourhood Community (Juan de Fuca Rec Centre, RRU, Local Shopping Centre)

Dear Parents/Guardians:

Brookes Westshore welcomes you to a new school year. In our efforts to increase the outdoor learning activities we would like to utilize our neighbourhood community during the day.

Alternate Environments

During the school year we plan to take your son/daughter on walks or longer runs throughout the neighbourhoods and wilderness surrounding Brookes Westshore. At all times students will be asked to stay off private property and use all crosswalks to maximize their safety (Please see consent form below). We will also use the facilities at Royal Roads University (1 km from the campus) and the Westshore Recreation Centre (1.5 km from the campus). In addition to these facilities, we may also travel to the Royal Bay Beach Park (3km) and the Westhills Recreation Area by school bus (4.3 km away from the campus). Parents will be notified of any other field trips through their individual teachers.

If team sports are able to resume, students who wish to participate in sports teams may have to travel outside of these boundaries for games with other teams as a member of Lower Vancouver Island School Sports Athletic Association (LVISSAA), Lower Island Middle School Sports Athletic Association (LIMSSAA) and BC School Sports. Parents will be notified with a schedule and travel details in advance. By signing this consent form you are authorizing your son/daughter to travel to and from sports games with school provided transportation.

Please fill out the consent form below and return it to the main office on the first day of school.

Sincerely,
Jacob Baumgartner

PHE Subject Group Leader
