April - June

> **Last day for grade 12**
Monday, May 26th 2027

> **Last day for grades 8 to 11**
Friday, June 18th 2027

Brookes Westshore helped me prepare for my future by helping me build my academic skills, like my work habits, organization and time management. I learned how to take effective notes and prepare study guides for myself, which helped and will continue to help me stay on top of my coursework and eventually make the most out of my academic university experience.

Lada - Ukraine - Student (Class of 2024)

I am studying Medicine - the IB programme has definitely helped me develop a fantastic work ethic. And big IB assignments, such as the Extended Essay and Internal Assessments, have also prepared me well for the assignments I now have in medical school.

Carol - Hong Kong - Alumni
